Abstract. Sing to the melody of [1].

1   Introduction

2   Lyrics

          G
As everybody is online,
          C
across the USA,
          G
Everybody is spied on,
        C
by the NSA.

                    F
We know they're scannin' through Facebook,
              C
and Skype and Gmail too,
        G   **F**
and Verizon and Yahoo,
        C
Spyin' NSA.

      G
GCHQ in England,
  (Inside outside USA),
         C
Canada's CSE,
  (Inside outside USA),
        G
Someone in New Zealand,
  (Inside outside USA),
         C
Australia's DSD,
  (Inside outside USA),
           F
Sharing data with Deutschland,
  (Inside outside USA),
         C
Exploiting zero-days,
  (Inside outside),
       G   **F**
Everybody is spyin',
      C
with the NSA

          G
They're tracking your movements,
        C
and your religious views,
       G
Your political party,
        C
and your source of news,
           F
But they don't listen to content,
       C
That's what they say,
       G   **F**
Unless you're of interest,
    C
to the USA.

          G
They put the content in Bluffdale,
     C
on a gigantic disk,
     G
and run a big program,
      C
to see if you're a risk
     F
It's time for a drone strike,
     C
in Californ-i-a,

```
                    G        F
to wipe out some critics,
                C
of the NSA.
